ELEMENTARY SCHOOL CODES FOR PUBLIC, PRIVATE, AND NON-DIOCESAN SCHOOLS 9

This manual is for use by the Catholic elementary school principals who will be participating in the *Test for Admission into Catholic High Schools (TACHS)*.

In conjunction with the Archdiocese of New York, the Diocese of Brooklyn/Queens, and the Diocese of Rockville Centre (Long Island), Riverside Insights® will administer the *Test for Admission into Catholic High Schools (TACHS)* during the fall of 2026 for high school admission in 2027–2028. The purpose of the test is to provide objective information about students who will apply to the Catholic high schools in the New York metropolitan area. The results of the test, along with the Applicant Record, will give high schools the information they need to make decisions on accepting students into their schools and to group new students for teaching purposes.

All students who are applying for ninth-grade admission into Catholic high schools and who participate in the program take this one test. Each student must pay a nonrefundable $78.00 fee at the time of registration. The test will be administered in the Archdiocese of New York on Friday, November 6, 2026, and in the Diocese of Brooklyn/Queens and the Diocese of Rockville Centre (Long Island) on Saturday, November 7, 2026. School personnel with questions should call the TACHS helpline at Riverside Insights at 1-630-467-6001.

REGISTRATION

There are two methods of registration available for the 2026 TACHS examination. The preferred method is Internet registration. See the Registering Students section on page 2 of this manual for more details.

Whichever method is chosen, principals and other staff involved in the registration process should become familiar with the information found in the TACHS Student Handbook. Please inform parents that you are registering their students. In most years, we have a number of instances in which both the parent and the school register the same student, and this often causes confusion.

Registration Schedule

Please make note of the following important dates.

	Two Ways to Register	
	Internet www.tachsinfo.com	Telephone 1-866-618-2247
First Day to Register	**August 24, 2026**	**August 24, 2026**
Last Day to Register	**October 28, 2026 (11:00 PM EST)**	**October 28, 2026 (7:00 PM EST)**

Registering Students

Two TACHS registration methods are available: 1) Internet and 2) telephone. Duplicate registrations may result in a processing fee. Therefore, ensure that students have not already been registered for the TACHS by their parents or guardians.

Method 1—Internet 

Internet registration is available at www.tachsinfo.com. Click on the Internet Registration link located on the left side of the page. Principals may register students individually by completing the required registration fields. After completing the registration fields, there are two options: Submit or Save/Register Another Student. Payment is not required until Submit is chosen. Credit card or school check (as a means of direct debit) payment is required for this method.*

For security purposes, the system will end your session if there is no activity for 90 minutes. Please complete Registration Records and process your payment before you walk away from your session to avoid duplicate registrations and multiple charges to your bank account. If possible, schools should request that each parent individually register his or her own student.

Method 2—Telephone

Call 1-866-61TACHS (1-866-618-2247) to register students by telephone. Registering students by telephone is similar to the Internet method in that information will be collected for each student individually. Credit card payment is required for this method.* All telephone registrations are handled by a live operator. Telephone registration is available 8:00 AM–7:00 PM EST Monday through Friday and 10:00 AM–2:00 PM EST Saturday and Sunday. If English is not the caller's native language, an operator speaking that person's language will be made available.

Registration Fees

Principals or school administrators who are registering students via the Internet or telephone should collect fees from individual students and use one credit card or school check to submit payment online.

TEST SESSIONS

On November 4, 2026, students will receive their test date/time/session code via the email address provided at the time of registration. From November 4 through November 6, students may also access their test date/time/test session code at www.tachsinfo.com by entering their TACHS ID and email address. They may also call 1-866-61TACHS (1-866-618-2247) if they did not receive an email and/or are unable to access their test date/time/session code at www.tachsinfo.com. Students should locate their test session codes a day prior to their schedule testing date.

* Credit card or bank statements will show the charge for the registration as "TACHS."

ADMINISTRATOR LOGIN ACCESS

Catholic elementary schools within the Archdiocese of New York, the Diocese of Brooklyn/Queens, and the Diocese of Rockville Centre (Long Island) will be able to view the names of registered students from their schools and complete their Applicant Records via the Internet at www.tachsinfo.com. Upon entering the website, click on the Admin Login link at top right. You will then be taken to a login screen that requires a user name and a password. Your school's user name is a combination of your diocese's abbreviation plus your school's 3-digit TACHS Code. For example:

Diocese	Elementary School	User Name
Archdiocese of New York	St. Ann/Staten Island	ADNY501
Diocese of Brooklyn/Queens	Holy Family Catholic Academy/Flushing	DBQ130
Diocese of Rockville Centre (Long Island)	Holy Child Academy/Old Westbury	RVC614

Your password has not been reset this year, so it carries over from 2025–2026. You may use the "forgot my password" option if you don't recall your password. If you are a new administrator, please call the TACHS helpline at 1-630-467-6001 to have the information updated.

PARTICIPANT LIST

Catholic elementary school principals will be able to monitor, via the Internet, which students from their schools have registered for the TACHS. To view the list of students registered for the TACHS from your school, log in to www.tachsinfo.com through a secure administrator page. (See the "Administrator Login Access" section above.) The list will be updated on a daily basis, and principals may check it as often as they like. See the following section for an explanation of how to access the student Applicant Record online. All school administrators are required to review their students' information for accuracy by 10:00 AM EST on October 29, 2026. Administrators should report any errors, missing students, or students who are not students at your school by calling the TACHS helpline at 1-630-467-6001. Erroneous information for your students will be captured incorrectly in the testing database if not corrected in advance.

APPLICANT RECORD

After a student has registered for the TACHS, you will have access to his or her Applicant Record electronically through www.tachsinfo.com. Catholic elementary schools are required to complete the online Applicant Record for their school's registered students. Principals, counselors, or teachers will access the Applicant Record through the same link, using the same user name and password they used to view the Participant List. You will be able to complete Applicant Records only for students who have completed the registration process. In the database you will see a list of registered students from your school from which to select. You may return to the list as many times as needed to complete the Applicant Record(s). An Applicant Record does not have to be completed in one session. You may save the data by clicking on "Save Draft" and return at a later date. Do not "Approve and Submit" the records until all information is complete and has been reviewed for accuracy. All Applicant Records must be approved and submitted by 3:00 PM EST on December 10, 2026.

For security purposes, the system will end your session if there is no activity for 90 minutes. Please complete or save active Applicant Records before you walk away from your session.

When you select a student's name from the list, you will see that all of the student's registration/ demographic information has already been completed. Please complete the required fields and mark the record as "complete" when applicable. **After a record has been marked "complete," no further changes may be made. All records must be completed by December 10, 2026, at 3:00 PM EST (NO EXCEPTIONS).**

You also will have the option of printing a student's Applicant Record with only Section A (student demographic information) completed. Records can be completed by hand and data entry done at a later date.

Completed Applicant Records will be electronically sent to the high schools on December 11, 2026. You are not responsible for the distribution of the Applicant Record(s); however, it is recommended that you print and keep copies of the completed records for your files. (See the Applicant Records section of the TACHS Student Handbook for further instructions.)
